LOOKING AT OUR MISSION: Sharing the Gospel of Christ, by providing Christian radio programming to Russian-speaking peoples across Russia, the former USSR, and worldwide.

IN THIS ISSUE, CRFR presents a snapshot of the way this global Christian media mission works and the people involved. We ask you to consider how you can equip this ministry by partnering with us so God's Word is proclaimed to this most unreached nation in the world--RUSSIA.

NEW LIFE RADIO-Moscow is...

a Christian radio network, but it is much more than that. It is a family using diverse members, with multiple gifts, through numerous technologies, over various systems, to reach many places, with the age old message of NEW LIFE in CHRIST!

This is home base

Dr. Charles Stanley, J.Vernon McGee, John MacArthur, Focus on the Family and others.

Leaders of Russia's evangelical denominations and ministries are broadcast over NLR for free, but CRFR needs financial sponsors to keep them on the air.

Russia in 2015

is a nation isolating itself from the world, while limiting freedom of the press, religion, and the ability of the Evangelical Church to conduct ministry and outreach without restrictions. During these times, New Life Radio continues to make Christian programming available to communities across the country in support of evangelism and discipleship.

WE SEEK your faithful partnership to fund the work of NLR for bringing the Christian Gospel into millions of homes in Russia! THANK YOU!
