Jerusalem: the city with a 7000 year history

*Thursday, 11 am Moscow time
Program description--*

The Holy City for three world religions. A city torn to pieces. A city of our past

and future. For one - the city of blood and a curse, for others - a city of God. It passed from hand to hand, has seen invaders, the prophets, Christ, and the complete destruction alongside multiple recoveries. Its never been forgotten and is a point of global attraction. Jerusalem's story is interesting, mysterious, incomprehensible. We look at its inception, to the last days of the apocalypse. Program hosts: Katya and Dmitry Vatoulya

Hello New Life Radio! I am with you for more than 8 months already and I am very happy about it! My morning begins with your music: it encourages me and brings me joy all day long. Your programs are very good that I apply in my life. Your Bible readings are great! I use my smartphone and connected loudspeakers. I hear NLR everywhere in my apartment. I love listening to In Touch programs by Charles Stanley; he inspires and teaches me. Thank you for your work and may the Lord bless you! Glory to God for NLR!

Talk Show: "The Word for You"
Wednesday evening
Program Description

During the hour-long radio listeners can listen in on a debate with our hosts from the Christian studio "Word for You" on the topic: "BEWARE of the SECTS."

The phrase *sect* has different shades of meaning in Russia, not necessarily understood by Christians in the west. The government and Russian Orthodox Church leaders view Protestants and Evangelicals as sects, whereas Christians view groups like Jehovah's Witnesses, Scientology, Mormons, and new age groups as *sects*. The hosts will help listeners make sense of these labels and how it impacts our view to reaching out to the lost as they engage those groups who fall outside the teachings of historic Christianity.

Peace to you NLR! I found your channel on the Internet recently. I like your combination of music and teaching. I like sermons that come from New Life Radio a great deal!
Michael, Ukraine

ITEM FOR PRAYER: more government threats to expressing faith in Russia
(Reuters) - by Steve Gutterman, 5/22/13

"Russian lawmakers on Tuesday took a step toward imposing jail terms for offending religious feelings, approving legislation proposed after punk band Pussy Riot performed a raucous protest song in Moscow's main Orthodox Christian cathedral.

Critics say the bill will give government-approved religious groups protection others lack and blur the line between church and state under President Vladimir Putin, who has advocated a strong societal role for the Russian Orthodox Church.

Lawmakers in the State Duma approved the bill by a vote of 304-4 after the second of three required readings in the 450-seat lower parliament house. Putin is likely to sign it after it gets through the Duma and a vote in the upper house.

The bill would introduce jail terms of up to one year and fines of up to 300,000 rubles (\$9,600) for "public actions expressing clear disrespect for society and committed with intent to offend the religious feelings of the faithful." If committed in a house of worship (by a pastor) the maximum punishment would be three years in prison and a fine of 500,000 rubles."

Please pray that this bill would not be passed

10- 10- 10 Campaign

**Bringing a nation to Christ through Radio
by calling 1000 to serve**

GIVE TO RAISE TO REACH
\$10 /MONTH \$10,000/MONTH 10 MILLION HOMES

New Life Radio has been proclaiming the Gospel to Russia since 1996, and brings young people to Christ through its 24/7 programming available through direct to home satellite radio, Internet radio and FM radio.

On January 1, 2012, NLR began broadcasting over Russia's largest satellite network, TRICOLOR TV, that claims over 10 million households connected to it across the nation. 1 out of every 6 Russians tunes into this network daily.

To minister to this vast audience with the Gospel, NEW LIFE RADIO needs to raise a minimum \$10,000 each month from new donors. We are calling out to 100 church congregations to find 10 members willing to pledge \$10 each month, so we can minister to millions of homes that can listen to NLR on the TRICOLOR satellite radio service. So little, can do so much!

Russia, Ukraine, and Belarus NEEDS Christian radio, and your support will allow us to proclaim Christ 24/7 while giving the Church a new voice to guide the Slavic people as they face the future. \$10 a month to reach 10 million homes: help us replicate the miracle of Jesus feeding the multitude with the smallest of resources. The harvest is great, but the workers are few. Help us help the few at NEW LIFE RADIO to reach the world for Christ!
